Mr. H. G. Wilcox
Probate Court
Elyria, Ohio

My dear Mr. Wilcox:-

This is to inform you that I, ELLA WATTERSON LAMBERT, lived in Wellington, Lorain County, Ohio, in September, 1878, and for a number of years thereafter, and that I distinctly recall the birth of a DAUGHTER to my very good friends, Dr. and Mrs. Russell Hathaway. This DAUGHTER who was born in SEPTEMBER, 1878, was named RUSSELLE at the time of her birth and I remember her parents gave her this name because her father's name was RUSSELL, and they changed the spelling by adding an "E" and accenting the last syllable.

The Hathaway family were close friends and neighbors of ours for many years and I have known the DAUGHTER, RUSSELLE, intimately ever since she was born, fifty-four years ago. I knew her as a baby, as a young girl, as a wife and as a mother.

These statements are being submitted to you for the purpose of having a correction made in the record of her birth, which I understand was erroneously made, showing that her name was RUSSELL and the sex male.

Very truly yours,

Ella Watterson Lambert
